2019-2020 Leesylvania PTO Membership Drive

PTO Mythbusters

- Joining the PTO does NOT mean you are joining the Board, nor does it commit you to volunteering.
- The PTO is fully funded through fundraising and PTO memberships. 100% of our fundraising proceeds directly supports Leesylvania Elementary staff and students. We will never ask you or your child to do door to door sales! 😊
- The PTO is not a group of parents hosting extravagant bake sales. It is a real organization for EVERYONE who cares about education! Parents, extended family and teachers can join the PTO to show our children we are 100% invested in their educational experience.

"The PTO does that?"

Over the past two years, the PTO:

- Sponsored the BooHoo-Yahoo breakfast for our kindergarten parents and families new to LES
- Provided monthly gratitude events for our wonderful LES Staff
- Hosted fun events such as Family BINGO Night, Winter Vendor Fair, and co-sponsored the school's Literacy Event
- Through our coordination of schoolstore.net over \$13,000 was donated to teachers to purchase books, supplies and gifts
- Organized monthly spirit nights to support local restaurants while raising funds for the school
- Raised funds to purchase enough technology for Leesylvania to be a "one-to-one" school, meaning every student has access to a device.

This year's fundraising goal is to create, decorate and furnish a Literacy Nook to be utilized by our Leesylvania Staff and Students. Your family's paid membership of \$10 is a KICKSTART to making this goal become a reality!
