

Dear Families,

Welcome to the new **2025-2026** school year! I am thrilled to welcome both our returning families and those who are joining our school community for the first time. Each new year brings fresh opportunities for learning, growth, and connection—and I am excited for all that lies ahead.

At our school, we believe that **strong partnerships between home and school** are the foundation for student success. Your involvement, encouragement, and support make a world of difference in your child's educational journey. Together, we will create a nurturing and inspiring environment where every child feels safe, valued, and empowered to reach their full potential.

**Here are a few ways you can get involved:**

- **Join the PTO** – Help plan events, support school initiatives, and connect with other families.
- **Volunteer in the classroom or at school events** – Your time and talents are always appreciated!
- **Attend family nights, performances, and school celebrations** – These are great opportunities to build community and celebrate student learning.
- **Stay connected** – Read our School Status Messages, newsletters, and announcements on our LES Website, and do not hesitate to reach out with questions or ideas.
- **Support learning at home** – Encourage reading and practicing Math facts, ask about your child's day, and celebrate their progress.

This year, we continue to focus on our vision "**Growing Determined Scholars**" a vision that reflects our commitment to continuous improvement, collaboration, and high expectations for all. Our dedicated staff is ready to provide engaging learning experiences, foster curiosity, and celebrate every milestone along the way. Our school theme this year, "**Challenges Accepted: Opportunities Not Obstacles**" is our continued commitment to our Eagle Scholars learning and growing with a Growth Mindset!

Thank you for entrusting us with your children. We are honored to be part of their journey and look forward to a year filled with joyful learning, meaningful relationships, and shared accomplishments.

Yours in Education,

Principal Meg MacGregor
